Taste the Arts

Taste the Arts Street Fair is being held on Saturday, October 19, between 10:00 am and 5:00 pm on Garden Street from the Garden Street Plaza through the Old Lumber Yard. There will be over 80 artist booths, an Urban Art show, and performances throughout the day. Some of the duties include managing information booths where you will be directing people to artists, groups that are performing, restrooms, food vendors and handing out artist directories. During the event you will be checking in with the artists, bringing them water and relieving for restroom breaks. The set up volunteers will be setting up booths, putting up signage, setting out trash cans. The clean-up crew will be taking down booth, collecting garbage, removing signage and making sure we leave the streets clean. For your efforts we will provide you with a lunch voucher and cool t-shirts for the event.

I am available to help at Taste the Arts on October 18 or 19 during the following shift(s):

- Oct. 18 5:30pm to 8:00pm
