FOR IMMEDIATE RELEASE

**TULARE COUNTY PUBLIC ART CATALOGUE**

Tulare County's acting arts council, the Arts Consortium, is proud to announce the public release of the Tulare County Public Art Catalogue, which is a living catalog of the public art in Tulare County.

The Arts Consortium's Public Art Catalogue is intended to provide free virtual access to the myriad public art works in Tulare County. We hope that this project will highlight the high quality of our public art; identify the locations of public art in our community; and celebrate the individuals who came together to install public art in Tulare County.

This project was envisioned by the Arts Consortium and realized through a partnership with the Museum Alliance of Tulare County (MATC), and the College of Sequoias, through the MATC's Cultural Connections Scholarship Program.

Scholarship recipients, Cristian Mascorro (2024) and Charlie Brown (2025), located, documented, and photographed original artwork that is accessible to the general public at any time of the day without hindrances like locked fences or entrance fees.

Artwork/artist/location info has been recorded to the best ability of the Cultural Connections Scholarship Winners and Arts Consortium staff.

To view the catalogue, please visit [artsconsortium.org/catalogue](https://artsconsortium.org/catalogue), or scan the QR Code provided.

To suggest corrections:

Please send your suggested correction, your name and phone number, artist/artwork website links, or photos/copies of publications that would help confirm your suggested change to [hello@artsconsortium.org](mailto:hello@artsconsortium.org).

To help identify new public artwork:

Please submit an image of the artwork, google map coordinates, and any artist information available to you to [hello@artsconsortium.org](mailto:hello@artsconsortium.org)
